

APLAR-EULAR Exchange Program

(Application Closing Date: 15 February 2025)

Introduction

The purpose of the APLAR-EULAR Exchange Program is to promote the international exchange of clinical and research skills, expertise and knowledge within rheumatology. The program recognises outstanding rheumatology professional faculty in both laboratory and clinic-based research and provides exposure to the exciting work being done by colleagues overseas. This exchange program allows candidates to share knowledge and experience and creates opportunities for collaboration.

The program supports young academic rheumatologists to travel from Asia Pacific to Europe to experience the EULAR Annual Congress, engage in a half-day exchange program with European colleagues at the Annual Congress and participate in a subsequent site visit at a local institution.

Travel grant of EUR 2,000 will be awarded upon completion of the program.

In addition, there is an opportunity for an optional one-week attachment to a EULAR Center of Excellence (CoE). The visit can be done either before or after the congress. However, applicant is to identify and apply directly to the Centre of Excellence; APLAR and EULAR secretariat will only assist to link the applicant to the CoE, if needed. For the list of CoE, you may visit <https://www.eular.org/centres-of-excellence-list>.

Successful applicants will be given an additional travel grant of EUR 1,000.

Invitation

APLAR is inviting AYR members who are Rheumatologists or Senior Residents in Rheumatology to apply for the program. Successful candidates will receive:

- complimentary registration to the EULAR Annual Congress
- travel grant of EUR 2,000
- additional EUR 1,000 will be given to successful candidates who apply for the 1-week visit to Europe CoE.

Eligibilities

Applicants need to fulfil the following requirements:

- To hold a non-tenured faculty appointment or Senior Rheumatology Resident, or equivalent position (below the level of professor), at an academic centre in an APLAR or a EULAR member country or as determined by the APLAR Education Committee.
- Applicants should have a doctoral degree (MD, PhD, DSc, or equivalent) in a field/area relevant to rheumatology.
- Demonstrate a firm commitment to academic medicine.
- Must be 45 years of age or under at time of application.

(Note: Applicants who do not meet all eligibility criteria listed above will not be considered.)

Program Outline

EULAR Congress starts on a Wednesday afternoon. So, the exchange programme will start the day before, on Tuesday. Candidates are required to arrive on Monday in order to have enough time to settle in and get ready for the exchange programme.

Tuesday will be a full day programme (8am – 6pm), with opportunities to learn about:

- Congress country's healthcare system
- Candidates research presentation opportunities
- Feedback from EULAR fellow buddy
- Networking lunch
- Center of Excellence of Congress country site visit

In addition, EULAR organises a few networking events in the evening where exchange candidates are invited to attend at no cost.

Wednesday is a half day programme (8am – 12.30pm), where

- Continuity of candidates' research presentation
- Feedback from EULAR fellow buddy
- EULAR's introduction & EMEUNET involvement presentation

After the programme, the candidates will be sent off to the Congress. At the Congress, candidates will have all the flexibility to choose the sessions and talks to attend.

Reimbursement Process

APLAR will provide the selected candidates the exchange travel grant of EUR 2,000 after the completion of the exchange program. APLAR holds the rights not to reimburse candidates if they do not attend the exchange program as agreed.

Upon completion of the program, candidates are expected to submit a summary report of what they have learnt and experienced during the exchange program period. Reports will be reviewed before funds disbursement to the candidates.

Documentation for submissions are as follows:

- Complimentary congress registration confirmation
- Proof of Abstract Submission from the congress
- Letter of certification for the half day exchange programme workshop and the one-day site visit
- Copies of Travel and lodging receipts to be submitted for disbursement of EUR 2,000
- A summary report intended for publication in the Voice of APLAR
- Letter of certification from the Center of Excellence for the 1-week visit (if selected)
- Training report summary at Center of Excellence for additional grant of EUR 1,000

Personal Statement

A personal statement outlining how participation in the 2025 APLAR-EULAR exchange program will benefit your research career and how you can contribute to the program.

1-Week Visit to Centre of Excellence

Are you interested in the 1 week visit to EULAR Centre of Excellence (CoE)

- No (Please proceed to Applicant Compliance agreement)
- Yes

I agree:

- to identify the CoE that I am interested to visit
(you may find the list of CoE at <https://www.eular.org/centres-of-excellence-list>)
- to submit a proposal on the visit directly to the CoE
- that APLAR and EULAR secretariat will only assist in linking me up to the Head of the CoE

Applicant Compliance Agreement

I agree to

- comply with the APLAR-EULAR reporting requirements, including an experience report to be sent to APLAR after completion of the exchange.
- participate in the 2025 APLAR-EULAR Exchange Programme that will take place in Barcelona, Spain, from 11 – 14 June 2025 which includes a mandatory institution visit and half day workshop.

I understand that:

- I should have in possession, a passport valid for these dates and extending beyond the return date as required by the EU government and my own country.
- I am responsible for all costs over and above the travel stipend provided as well as any costs related to spouse travel, accommodations, and incidentals.

Documents for submission

I have submitted the following documents together with my application:

- Current curriculum vitae (PDF Format), to include:
 - Summary of teaching activities undertaken as a rheumatologist and mentoring/supervision activities (e.g., medical student projects, other PhD students, educational supervision (incl. date of activity), if applicable
 - Your publications
- Letter of recommendation from a senior academician within rheumatology (PDF format)
- Letter of support from Chief of Rheumatology (PDF format)
- An abstract for submission to EULAR 2025
- AYR membership certification
